H DECLARATION BY APPLICANT

I, the undersigned, apply for the membership as set out in this application for myself (and the registration of my dependants).

I acknowledge that this is only an application for membership and I (and my dependants) will not be considered as members of Selfmed until I receive written confirmation of membership.

The Scheme, or its agents may from time to time do the following in respect of me (and any of my dependants):

- Request and receive any medical and medically related information that is relevant to consider this application and any claim-related benefits for me (and any of my dependants for whom this application is accepted). Such information may be obtained from any healthcare provider or healthcare facility.
- Communicate any medical and medically related information from any healthcare provider or healthcare facility to the Scheme's contracted healthcare management company. The purpose of this exchange is to ensure that the most cost-effective and high quality medical care benefits are obtained for all members of the Scheme.

I further acknowledge and accept that, once I receive written confirmation of membership of the Scheme, the Scheme or its agents may from time to time, and without notice to me, do the following in respect of me (and any of my dependants):

- conduct investigations into any claim submitted by me or on behalf of my dependants;
- conduct medical investigations of any kind and at any time, into my or my dependants' medical history and/or current medical condition, including but not limited to, obtaining copies of my or my dependants' medical records, information regarding my or their medical history and results of any medical tests and examinations;
- instruct me or my dependants to undergo any medical testing and examinations as are deemed by the Scheme or its agents to be a necessary part of such investigations;
- access any/all results of such tests and examinations carried out at the instance of the Scheme or its agents, without my consent; and
- request that I furnish to them copies of all my or my dependants' medical records and any information regarding my or their medical history as well as any results of medical tests and examinations, immediately upon request thereof.

By my signature below I expressly authorise the Scheme to do all things necessary to carry out the above-mentioned investigations.

I further give my permission for the required information to be requested, communicated and received at any time. This may even be after my death (or that of any of my dependants).

I warrant that the information in this application, whether it is in my own handwriting or not, is to my knowledge, complete and correct. If any information is not complete or correct the Scheme may cancel my membership in full. The Scheme may also cancel my membership in full if the incomplete or incorrect information relates to any of the dependants. Otherwise the Scheme may cancel the registration of the dependant regarding whom the information was incomplete or incorrect. If my membership is cancelled in full, I shall also pay back all benefits paid for such a dependant and the Scheme will refund the contributions.

I undertake to advise Selfmed of any change in my state of health (or that of any of my dependants) which occurs prior to my inception date. If any of the medical details that I have supplied in this application change before my membership starts, the Scheme may reconsider my application. The Scheme, at its own discretion and even after my membership has started, may reconsider the full application, or only that of a certain dependant. If this is the case, the terms as explained in this declaration will apply.

I understand that the relationship between me (and any of my dependants) and the Scheme is controlled by the rules of the Scheme. I undertake to familiarise myself (and any of my dependants) with the rules of the Scheme, as well as the changes that are made to the rules from time to time. In the event that I, or any of my dependants, sustain personal injuries pursuant to which I have a claim against the Road Accident Fund ("RAF"), I undertake to, in terms of the rules of the Scheme, lodge the claim against the RAF within the prescribed period and in the prescribed manner and, upon receipt of any payment from the RAF to reimburse the Scheme. I understand that should I fail to do so, the Scheme will be entitled to cancel or suspend my membership and to institute legal proceedings against me for the payment of any amount received by me from the RAF.

I/We acknowledge that this Authority may be ceded or assigned to a third party if the Agreement is also ceded or assigned to that third party, but in the absence of such assignment of the Agreement, this Authority and Mandate cannot be assigned to a third party.

I undertake to give the Scheme one (1) calendar months' notice should I decide to cancel my or any of my dependants' membership.

I also confirm that I have appointed the intermediary as set out in the application as my healthcare consultant. This healthcare consultant or any other healthcare consultant appointed by me may also request the Scheme to provide any information about my membership and claims history or that of any of my dependants.
